Jiffy

All Purpose RTU General Cleaner/Degreaser

Where to Use

Jiffy is a powerful, ready to use cleaner that will quickly remove most detergent-resistant marks and stains such as; ball point ink, pencil, crayon, black heel marks, scuff marks, dried floor finish, fingerprints and other oil and grease stains. For use on: walls, floors, plastic and ceramic tile, filing cabinets, desk tops, kitchen appliances; in bathrooms, offices, school rooms, patient rooms, on stainless steel, porcelain enamel, varnished surfaces and fiberglass.

Benefits

- Convenient
- Versatile
- Economical
- Ready to use
- Requires no rinsing
- One step cleaning
- Contains an effective combination of surfactants and water soluble solvents

Directions for Use

No dilution required. Ready to use.

Use undiluted product with a trigger sprayer.

Hold container 6 to 8 inches from surfaces to be cleaned.
Spray surface until wet. Wipe surface dry with cloth, sponge or towel.
When cleaning walls or other vertical surfaces, work from bottom to top.
