# FS Auto Dish Clean

Aluminum Safe Alkaline Cleaner

# FS Auto Dish Clean

## Where to Use

FS Auto Dish Clean is a liquid alkaline non-foam cleaner effective in removing starch, protein, fats, and oils. FS Auto Dish Clean is designed to be applied using, pressure washers, soak tanks, automatic washing equipment, manual applications, and automatic floor scrubbers. Recommended for use in food service and food handling areas in restaurants, cafeterias, supermarkets, deli's and federally inspected meat and poultry plants. Meets USDA Category A1 and G5. Certified Kosher.

## Benefits

- Specially formulated alkaline cleaner with polymers, chelating agents, and a dispersant.
- Successful application in pressure washers, soak tanks, automatic washing equipment, and automatic floor scrubbers.
- Excellent for cleaning plastic trays and baskets.
- Effective and stable in soft, hard, cold, or hot water.
- Polymers prevent the silicates from plating onto metal surfaces.
- Will not spot.
- Versatile use in supermarkets and bakeries.
- Oil and fat may be easily skimmed.
- Effective in removing starch, protein, fats and oils.
- Safe on plastic, aluminum, galvanized surfaces, and other soft metals when used according to product directions.
- Free rinsing.
- No foam.
